

Year 2 Art Knowledge Organiser

I can paint using big and small brushes to make my work more detailed.

I am beginning to observe things closely and use this to help me draw simple objects and shapes.

I can use different papers to create textures in collage.

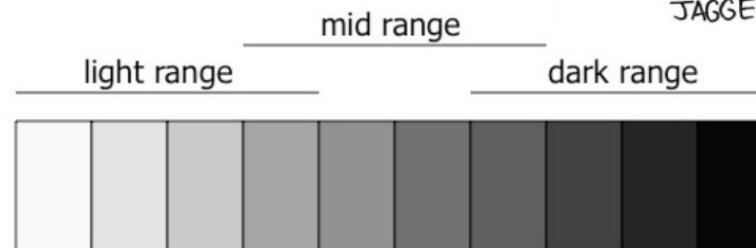

I can experiment with creating texture in clay – twisting, pinching, rolling and scratching.

I am beginning to identify primary colours and begin to use these to mix secondary colours.

Primary colours		
■ Red		
■ Blue		
■ Yellow

I am beginning to make a variety of lines of different sizes, thicknesses and shapes in pastels, pencils and pencil crayons.

I can shade with a pencil to make different tones..
