

Message from the Head

Dear Parents/Carers. Thank you for your generous donations to our Harvest festival this week. All of the tins of spaghetti and baked beans are being given to the Harbour Centre in town to support our community. If you did not send a donation but would still like to, please send a tin in with your child as Reception's Harvest services take place next week and their contributions are being collected in our chapel.

Parents Evening booking system will go live for bookings on Sunday 12th at 5pm. You will have received an email today with the link to book and full instructions. We always like to see at least one parents or carer for every child following the transition to a new year group. We are offering some online appointments for Monday October 20th only. These will be booked on a first come first served basis. The rest of the appointments will be face to face on Tuesday, Wednesday and Thursday, please see the appointments available for your child's teacher and book your meeting. The availability will become limited as time goes by. If you have any difficulty booking or do not receive the email, please contact the school office on Monday and the admin team will do their best to assist.

Polite reminder that dogs are not allowed on the school site. Please do not bring a dog to pick up or drop off unless they can be left with someone outside of school.

Important Safeguarding Notice: Children's "Spy" Books

Children's publisher Puffin has issued an alert about books by Andy Cope including those in the Spy Dogs, Spy Cats, and Spy Pups series.

The books include a link to additional content, but the link is no longer owned by Mr Cope. The new owner publishes pornographic content. This means that children visiting the link are seeing highly inappropriate webpages.

As a result, libraries, bookshops, retailers and schools have removed the books from their shelves until such time as there is a resolution. Full information can be found online at The Guardian news.

Year 5 are having a God and the Big Bang session on Thursday 16th October. There will be a few songs performed to parents from 2:30pm. End of the day arrangements are as usual.

After half term we are in **winter uniform**, this means shirt and tie for upper school pupils. Very happy for parents to adapt a tie to be worn elastic or a clip if this helps your child.

Next week **year 1 have their parents meeting** on Tuesday evening, and our new Reception Open evening takes place on Wednesday from 4.30pm - 6.00pm.

Reception and Year 6 also have their **heights and weights check**, please see the email sent on September 22nd for further information.

Well done to Harper, Mollie, Lucia, Illiana, Dottie, Alice and Rose from year 5 who raised £75.00 on their bookmark sale. This will go towards the Macmillan Charity and Breast Cancer Unit at George Eliot Hospital.

We highly recommend parents reading the National Online Safety parent guides; they offer excellent tips and tricks to help your child stay safe online. They cover how to set up devices for children, areas to be aware of with different social media apps, information about different games, advice on privacy, security and scams, as well as how to support children with challenging digital content or interactions. Word of the Week To get children excited about words the whole school is starting 'Word of the Week'. Each week we will be displaying an interesting word and setting a small associated word challenge for you and your child. The challenges are small spoken tasks that do not require pen or paper. They just need you and some talk time, so easy to do on the way home or before bedtime. Get involved, have fun, and your child's vocabulary will grow!

cosmopolitan

A cosmopolitan place or society is full of people from many different cultures.

How **cosmopolitan** is your school? Which places can be described as **cosmopolitan**?
