

Message from the Head

Dear Parents/Carers.

Thank you for the many donations of cakes and to all who supported our Macmillan Cake Sale. Half of money raised will be going to the Breast Cancer ward at George Eliot, which is close to our hearts here at The Canons. We raised £150. Thank you!

Four of our pupils took part in a **Harvest Festival** for the residents of the Almshouses on Thursday. They were commended for their excellent participation.

On Monday we had the service for **World Peace Day** at the Peace Podium where children read a prayer and tied white ribbons to the memorial gates. They also celebrated the grand unveiling of the special ornate benches that have been installed. Well done to everyone involved.

We have had some interesting information sent to us regarding children's **online/mobile phone safety**. The link to the Smartphone Free Childhood is <http://smartphonefreechildhood.com/> and a video for you to watch at https://m.youtube.com/watch?v=h_xwJ5u9I8o

Thank you to all parents who attended the year 5 parents meeting, I hope you found it useful. Next week we have year 4 on Tuesday from 5pm and year 3 on Thursday from 4pm. Year 1 welcome meeting on Tuesday 14th October at 5pm where we will share information about the core learning in year 1 and year 1 expectations.

We are still looking for **foundation governors**. You do not have to be a parent to be a foundation governor. If you attend church and think this may be something you would be interested in we would love to hear from you. All foundation governors are appointed through the Parochial Church Council but we would be happy to refer on to Rev. Dave Poultney.

Forest church will be starting next Wednesday 1st October straight after school until 4.15pm with Kay our Chaplain. Children must be accompanied by an adult at all times for this.

Bedworth Plan for Neighbourhoods

To complete online, go to www.smartsurvey.co.uk/s/BedworthPlan/ or scan QR code

If you live or work in Bedworth, this questionnaire is your opportunity to share your ideas on how to improve the town.

Bedworth is one of 75 areas across the UK that will receive £20 million investment over 10 years, the aim of which is to support regeneration and economic development.

Local charity CAVA have been asked by Nuneaton & Bedworth Borough Council to undertake community engagement as part of the regeneration plan. We are keen to hear from everyone, particularly those who might struggle to make their voices heard. CAVA will feed these findings back to the Borough Council and the Neighbourhood Board with community priorities and recommendations.

As a thank you for taking part, everyone who completes the questionnaire before 23:59 on Friday 3rd October 2025 will be given the opportunity to enter a prize draw to win a £100 multi-store shopping voucher.

This survey is being administered on behalf of Warwickshire and Solihull CAVA by Tiller Research Ltd. Your responses are confidential. Tiller Research Ltd is a registered data controller with the Information Commissioner's Office, registration number Z3539686, and manages data in accordance with ICO guidelines. If you have any queries or questions about any aspect of this survey, please email BedworthPlan@tillerresearch.co.uk

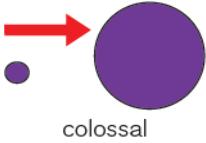

We highly recommend parents reading the National Online Safety parent guides; they offer excellent tips and tricks to help your child stay safe online. They cover how to set up devices for children, areas to be aware of with different social media apps, information about different games, advice on privacy, security and scams, as well as how to support children with challenging digital content or interactions. Word of the Week To get children excited about words the whole school is starting 'Word of the Week'. Each week we will be displaying an interesting word and setting a small associated word challenge for you and your child. The challenges are small spoken tasks that do not require pen or paper. They just need you and some talk time, so easy to do on the way home or before bedtime. Get involved, have fun, and your child's vocabulary will grow!
